<https://play.google.com/store/apps/details?id=com.cdsl.myeasi>

The above-mentioned applications of CDSL has following features:

- Consolidated view of securities of client across both the Depositories eliminating the need for multiple logins.
- Transaction and holding statements at one place improving portfolio management by investors.
- Monitoring of open positions and margin details across Stock Exchanges and Clearing Corporations.
- Option to exercise E-voting on company resolutions.
- Access to recommendations of proxy advisers on resolutions. This communication is issued in the interest of investors and with a view to strengthening investor protection and awareness.
